

Rachel's Joy Maternity Ministries

Spring 2022

I would like to begin with a thank you to our faithful supporters and partners

around the country for being so faithful to stand with us at Rachel's Joy Maternity Ministries. We want to wish you a Happy New Year from our heart to yours.

We want to reach out to all the people who support us at this time with prayers of protection. Continuing strains of Covid-19 virus have changed our way of life. On the positive side, we are adding a new project to this ministry. This month I want to introduce to you the orphanage in Zimbabwe, Africa. One of our faithful Apostolic /Prophet /Pastor in Zimbabwe will be assisting us. We have known Prophet Mugove for about 28 years and he has visited us at Rachel's Joy many times. This orphanage has been on my heart for as very long as I can remember. This year 2022 is the time to "frame the vision". Our Mission is to save children lives. As you know there is much poverty in Africa and children are discarded more prevalently than in other countries. We

are going forward with the vision.

We have a new Mentor that has come on board, Helen. She has been assigned to Felicia. Helen will be calling her and helping in both Spiritual and practical ways.

Please continue to pray for a godly decision regarding the Supreme Court. They are currently deciding whether or not to end or modify Roe vs Wade. There have been 60,069,971 abortions in the United States. Our program is changing that one baby at a time.

Our program supplies all that is necessary for the women to have a healthy and happy baby. We also go along side of them and will be there for them through counsel and support during and after their pregnancy. Amazingly, many girls just want a friend, and sound advice. This ministry is needed in the body of Christ. With over 35 years in this ministry, many times I share with the clients my testimony.

Rachel our new placement

Rachel's Joy Ministries helps women who do not become residents of our program but still choose to have their babies. We place them in other programs and provide them with baby clothes and supplies which we distribute to women throughout the U.S. by mail. Your prayers are needed. Many of the women don't understand the Grace of Jesus Christ and what he has done for them.

Thank you so much for your support. If you would like to donate to Rachel's Joy please go to:

Needs:

1. We are in need of your prayers always for our women to be healed emotionally and spiritually, and give them opportunities for success.
2. Pray for the opening and support for our Zimbabwe Orphanage Project, we can't do anything without God.
